JOINING IS EASY AND COMES COMPLETE WITH MEMBERSHIP CARD WHICH WE HOPE WILL EVENTUALLY PROVIDE DISCOUNTS AT VARIOUS PLACES IN AND AROUND AUCKLAND!

CLUB HISTORY

The Awesome Experiences Fun Club was established to provide people who have a disability with the opportunity to form friendships, experience new things and to connect with people who have similar interests. Members fill in a membership form which asks what their interests are. They are then connected with people either in residential care or in the community who have similar interests. The club will also provide monthly trips or activities that members would like to try but have not done before. The club is run by the members themselves with some support from Spectrum Care Advocacy Services. The club will be endeavoring to provide discounts at various outlets in and around Auckland upon presentation of their membership card. Trips and activities will be predominantly subsidised with members only paying a partial fee. The club provides individuals with the opportunity to make friends and to participate in activities they might not normally get the chance to participate in.

Membership is open to anyone, not just those with a disability!

SO OPEN UP YOUR WORLD TODAY BY JOINING AWESOME EXPERIENCES FUN CLUB. YOU WONT KNOW IF YOU LIKE SOMETHING TILL YOU TRY IT! YOU'VE GOT NOTHING TO LOSE. JOIN TODAY!

Membership costs just \$35 per annum and the form must include a passport sized or digital photo of the member for the purposes of supplying the membership card.

Membership forms can be downloaded from our website: Spectrumcare.org.nz

Or by contacting the below.
