Blomfield School Holiday Programme

For children and young people with a disability

Based at Blomfield Special School (31 Maunu Rd, Whangarei), the Blomfield School Holiday Programme is run by disability support provider Spectrum Care (www.spectrumcare.org.nz) and supported by Blomfield Special School (www.blomfield.school.nz).

Our programme offers a wide range of fun activities such as swimming, nature walks, picnics, ferry and museum trips, music, arts and crafts, and much more - all designed with the children attending in mind.

Contact the Programme Coordinator below for more about our next School Holiday Programme.

Cost

\$25 per day, plus one Carer Support Day. Payment is required in advance, once parents have selected their days and committed their child's attendance. A signed and dated Carer Support form can be used as payment. A voluntary donation is welcome from families who would like to assist with activity costs.

- **Online booking and payment:** Once we've met and discussed your child's goals and support requirements, we'll send you a link to book your preferred dates and pay via our easy online system.

We're proud to offer a high-quality, safe and stimulating school holiday programme. Because staffing ratios are worked out in advance, payment is required even if your child is unable to attend.

Who is Spectrum Care?

We're an independent charitable trust that provides support for children, young people and adults with disabilities, and their families.

Our services include 24-hour support for people living in residential homes throughout the Auckland and Waikato regions, and a wide range of flexible respite support options in the Auckland, Waikato, Bay of Plenty and Wellington regions.

We also provide Home support, Transitions support and Aspirations support, along with School Holiday, After-school and Weekend Day Respite programmes for children.

Our independent living support is specifically focused on empowering people to their lives of choice – lives like any other – in the community, and our specialised Business Enterprises programme aims to support people towards their employment goals.
