Our programme offers a wide range of fun activities such as swimming, trampoline, nature walks, picnics, ferry and museum trips, music, arts and crafts, and much more – all designed with the young people attending in mind.

We're proud to offer a high-quality, safe and stimulating school holiday programme. Because staffing ratios are worked out in advance, payment is required even if your child is unable to attend.

Who is Spectrum Care?

We're an independent charitable trust that provides support for children, young people and adults with disabilities, and their families.

Our services include 24-hour support for people living in residential homes throughout the Auckland and Waikato regions, and a wide range of flexible respite support options in the Auckland, Waikato, Bay of Plenty and Wellington regions.

We also provide Home support, Transitions support and Aspirations support, along with School Holiday, After-school and Weekend Day Respite programmes for children.

Our independent living support is specifically focused on empowering people to their lives of choice – lives like any other – in the community, and our specialised Business Enterprises programme aims to support people towards their employment goals.
